THE DAMAGE APPRAISAL. EVOLVED

OLD WAY

NEW WAY

Customer gets into accident and calls you

OLD WAY:

You inform them that an appraiser will be out to inspect the vehicle in **48-72 hours**

You call the appraisal company and wait **48 hours** for an inspection

The appraiser goes to see the vehicle, takes photos and sends estimate to insurance carrier

Customer takes photo and sends them either through the app or email

Insurance carrier reviews and processes payment

Elapsed time to completion about **5 days**

NEW WAY:

You inform them that they can **download** our app and submit or email photos

Within **5 hours** estimate is completed and returned to you

Payment is made and your client is happy

Elapsed time to completion 6 hours
